## Report Cards

It has been decided that it would be easier to include Report Cards in the students' packets rather than email them. We apologize if this has caused an inconvenience for anyone. You do not need to sign and return the Report Card. You may keep it.

## Student Packets

Packets will be available for pick up every weekend for the following week's work. Some teachers may send home more than one week's work at a time. So, it may not always be necessary to come to the school weekly to pick up packets. Packets will be in the tote that has been by the school's front door.

Note: It is not a violation of the Governor's order to go to the school on weekends to pick up educational materials for distance learning.

## Submission Of Work

Students should submit all assignments to teachers online. If there are any issues with doing so, please contact Mr. S at [sprig0701@gmail.com](mailto:sprig0701@gmail.com) or Mrs. Berkebile at [bonnieberkebile@hotmail.com](mailto:bonnieberkebile@hotmail.com). One of them will be able to assist you with submitting online.

## Gardner's Candy Payment

If you have not already submitted your payment for your Easter candy, please send it to the school as soon as possible. This would be the easiest way for us to get your payment.

## Important Announcement

### Scrip Orders

We will not be placing any scrip orders until the Stay at Home Order has been lifted.

### Gardner's Candy Top Seller

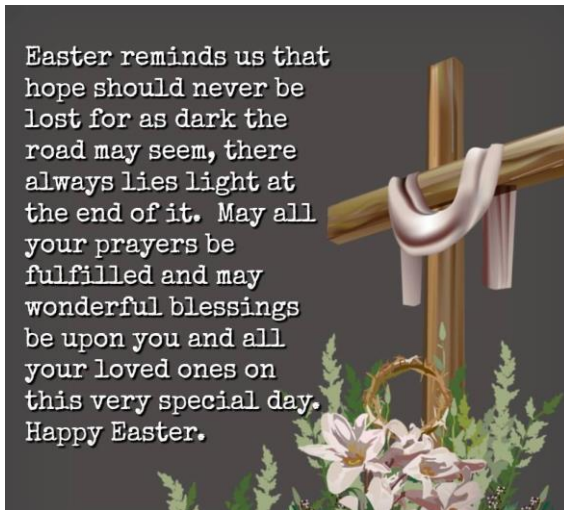

Congratulations, Isaac Gardner! Isaac sold almost \$500 of Easter candy and is the winner of a \$25 Best Buy Gift Card.

Isaac, your gift card will be arriving in the mail soon! 😊

## More Important News

### Please Continue To Pray

Please continue to pray for the health, safety and security of our families, as well as the entire country. Pray for guidance in our new realities. Pray for the doctors, nurses, health care professionals, grocery store employees, everyone who is putting their lives on the line daily. May God give them strength and physical immunity during this time.

Easter reminds us that hope should never be lost for as dark the road may seem, there always lies light at the end of it. May all your prayers be fulfilled and may wonderful blessings be upon you and all your loved ones on this very special day. Happy Easter.

Easter is a time to celebrate being with family, the newness of spring, and the true meaning of the holiday — the resurrection of Jesus Christ. In years past, it could be easy to lose sight of the meaning of the holiday between the busy family gatherings, the big family meals, decorating your home, and more. However, this year circumstances are different. We will remain in our homes instead of attending church on Easter Sunday. There will not be big family gatherings or egg hunts. This is a time to make new memories. Many churches will have Easter Sunday sermons online. Another great way to keep in mind the spirit and meaning of the holiday is by reading Easter Bible verses. Gather your children together and read the inspiring story of the resurrection. These passages will reflect on the sacrifices of Jesus and the hope for new life that his resurrection promises.
