First Day of School

The first day of school is August 31st. There will be paperwork coming home the first week of school that will explain some of the procedures due to COVID. There will also be the usual forms that will need to be completed and returned to the school. We realize that these can be repetitious, but they are necessary to make sure that the school has all of your updated information.

Just a reminder that students are allowed to bring a plastic or vinyl backpack to school. No material backpacks will be allowed. All other supplies will be provided by the school. We want to minimize the amount of items, as much as possible, that are going back and forth between the school and home.

Fall Fundraiser

The cookie dough and gifts catalogs will be coming home on Friday, September 4th. We would like each family to sell at least 5 tubs of cookie dough or the equivalent to that. You may also opt-out of the fundraiser by making a flat donation to the school in the amount of \$75. If you choose to make a donation directly to the school, we receive 100 percent of said donation.

Fundraising is very important to the school, so please do your part to help.

School Lunches

One Stop Sandwich Shop & Delicious Detour Party Platters has agreed to provide three sandwich options to our students for lunch. Please be watching your email for a survey so that we may plan how often to offer these options.

Library Books

There are still some students that have not turned in their library books since the school was closed in March. If your child finds a library book at home, please have them bring it to school with them. Notices will be sent home the first week of school with the students who still have books out. Your help in getting these books returned is greatly appreciated.

Back To School Prayer Guide

Dear God, with a new school year upon us, we pray for our. . .

Students, that You would ease their anxiety about going back to school amidst the pandemic. We pray for their safety as they return to in-person classes. Would you please ensure that every child has enough to eat, a supportive network of friends and family, and perseverance to face every challenge with Your strength.

Parents and Caregivers, that You would provide for them physically, spiritually, emotionally and financially. We pray for a support system that they can turn to when the challenges of life are overwhelming. We pray for churches to surround the families with more prayer and support this year more than ever.

Teachers and School Staff, that You would grant them supernatural peace and discernment. We pray for wisdom for school administrators, and for the safety of every staff person on every school campus. May the community rally around our schools to provide the sanitization, supplies and emotional support needed by our teachers and school staff as they educate our children.

In Jesus's name we pray, Amen.
