Return To School – Addendum To Waiver

Attached is an Addendum to the Waiver that each family signed at the beginning of the school year. This Addendum will need to be signed and returned to the school with your child on Monday, December 7.

You have the option of your child returning to in-person learning or continuing with virtual learning through Google Classroom. Please check the option that you would prefer. Also, please note that if you choose for your child to return to in-person learning that a MASK is required at all times and that Face Shields are no longer an option. If your child fails to comply, they will be asked to stay at home and attend classes through Google Classroom.

Requirements

The virus is spreading throughout the community. In order for our students to remain with in-person instruction, it is absolutely imperative that all of us do our part and take the necessary precautions to mitigate the spread of the virus. If your child has any symptoms or has been directly exposed within the last 72 hours, please do NOT send them to school. Please keep them at home. If they are able to, they can login to Google Classroom and complete their assignments at home.

Further, any parent leaving their vehicle during pick up or drop off should have on a mask.

Scholastic Book Orders

If you would like to order any books for Christmas, please place your order online or turn it in to the school before Friday, December 11. You may place an order online at: <https://clubs.scholastic.com/home> Class Code: QHXQT
