Upcoming 2020-2021 School Year

Several changes will be implemented this school year to help stop the spread of the virus. We plan on being in the classrooms to begin the school year. However, we are prepared to continue with remote learning if the need arises. Please see the attachment for changes.

In addition to the changes listed, parents will only be allowed in the school's office to sign in or out their child. Parents will not be permitted to go into the school any further than the office.

Fall Festival

Since our Spring Festival could not happen this past May, we will be having a Fall Festival on Saturday, October 10th. The following are some things to think about:

1. Each family is required to:
 - a. Work at least 2 hours the day of the festival;
 - b. Donate a baked good for the bake sale; and
 - c. Donate an item for the auction. This may be an item that you purchase or you may solicit an item from a business;
2. People are needed to solicit donations from local businesses for the auction.
3. Vendors are also needed. If you or someone you know has a business or items that they sell and would like to be part of the Festival, please contact the school so that a Vendor Application may be sent to them.
