A Letter From Mrs. Berkebile

I would like to personally thank each and every one of our families for their cooperation in this unprecedented time. The teachers and I are diligently working to ensure each and every one of our students can finish this school year on schedule and each child will be more than prepared to advance to the next grade.

So many things are still in question at CCCS. When and will we be able to have our Spring Banquet? Will we need to do a "virtual" Race for Education? What will happen to the Spring Festival? While I do not have the answer to any of these questions I can assure you that God is still in control and still doing great things at CCCS. We need to rely on God more than ever with all these uncertainties. Please continue to pray for the school, the teachers and staff, and our country's leaders. We will make it through this together, one day at a time.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

None of this is a surprise to The Lord! God Bless you all!

Important Announcement

Student packets are in a tote by the school's front door. If you have not picked up new packets for your student(s), please do so as soon as possible.

More Important News

Race For Education

Sponsor forms continue to come in for the Race. So far we have raised a little over \$3,500.

This is a very important fundraising event for Cambria County Christian School. The money raised will be used to directly benefit your child's educational experience at CCCS.

If it is determined that we need to have a virtual race, details will be included in a future Newsletter.

Please Pray

In this time of fear and uncertainty, we turn to God just as we do in times of joy and celebration. We ask God for his love and mercy and ask that he show us how to face the challenges posed by the new coronavirus.

Please pray for the health, safety and security of our families, as well as the entire country. Pray for guidance in our new realities.

As we endure this new normal in our lives, we pray for the doctors, nurses, health care professionals, grocery store employees, everyone who is putting their lives on the line daily. May God give them strength and physical immunity during this time.

“Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus” ([Phil 4:6-7, NIV](#)).

Reminders:

Social Distancing
