SCRIP

Christmas time is going to be here before you know it. Do you give gift cards as gifts? Do you order from Amazon? Shop at WalMart? Why aren't you purchasing scrip gift cards through the scrip program at CCCS? If our parents would start using this program, it would help the school greatly.

This is how the program works):

- Look at the order form
- Choose the cards you'd like to purchase
- Write your check out to CCCS
- Send your form and payment to the school. All orders **MUST** be prepaid.

That's it. Orders are placed twice a month (on Tuesday's). The orders are usually received on Friday (2 days after the order is placed). It is sorted and ready for you to pick up or have sent home with your student. It's that simple.

If you look at an order form that is attached, you can see the percentage the school receives. These range from 1.5% to 12%. This means if you order a \$25 Sheetz card, CCCS gets a 75 cent rebate. That doesn't sound like much, if ALL of our families would order just that, we would have a profit of about \$20. See, it adds up!

I'm sure most, if not all of you shop at one of these stores; Walmart, Sheetz, Amazon & Giant Eagle. Most of the fast food places are on the list. That includes Taco Bell. Why not start doing your shopping using scrip? Christmas Clubs will be sent out soon and I'm sure you've been looking on line for Christmas ideas. Why not try ordering scrip for Tuesday November 9th, 2021.

The order form will help you see that there are so many places from which to order these cards.

Any and all orders help CCCS with much needed finances. Please do what you can to help our school.
