Parent/Teacher Conferences

Parent/Teacher Conferences will take place on Friday, November 6th beginning at 1:30 p.m. with the last conference scheduled for 5:30 p.m. An appointment card is attached which lists the time of your appointment. Also included on the card are the teachers that you will be meeting with. If this time is not convenient for you, please contact the office immediately and we will attempt to schedule another time for you.

Face masks/shields are required when you enter the building and for the entire meeting. You will be admitted to the building at the time of your conference and should exit the building when your conference is finished. The next parent will not be admitted to the building until the previous parent has left. Only one parent may attend the conference. No children will be allowed in the building during conferences. We realize that this may cause an inconvenience, however, due to the current circumstances we are doing our best to limit the amount of people in our building so that we may keep every one as safe as possible.

You must have a conference in order to receive your child's report card. Report cards will not be sent home with your child.

Fundraiser Delivery

The cookie dough and gifts will be delivered on Wednesday. If the front door is still boarded up, the items will be delivered to the church basement. This is where you will need to pick up your items. Please contact Mrs. Lloyd at the school to schedule a time to pick up your items or to let her know if your orders should be sent home with your child.
