Girls Basketball Season Wrap Up

It has been a very exciting year for our Cambria County Christian School Lady Panthers. We started this year with winning the 10th Annual Bobbie D Hoops Classic. We have 7 girls who have really worked hard this year to make the season a success. We are a very young team with Hope Fenchak being our only senior. The remainder of the team consists of 1 junior, 2 sophomores, 1 freshman, and 2 7th graders. The team was really inexperienced but they lived up to the task of making us competitive this year. The younger girls grew as the season went on and began like being veterans as the progressed. They started playing well with our experienced players. Although we did not make the playoffs this year I look forward to improving in the coming years. We will lose a very valuable player in Hope Fenchak who will graduate and continue her dreams in college. It has been a very rewarding year for me as their coach and I look forward to watching them improve next year.

Great year girls!
